## Moscon Optics Durban Roadshow

Moscon Optics recently hosted our annual Durban Roadshow. On Tuesday the 9<sup>th</sup> and Wednesday the 10<sup>th</sup> of September 2014, the Annual Durban Roadshow once again took place at the Endless Horizons Hotel whereby Moscon management and sales representatives got the opportunity to meet with local optometrists and retailers.

The roadshow provided a platform for customers to view and place orders on the current Optical and Sun collections, pre-orders on new collections, as well as the latest in Topcon Instrumentation.

We would like to thank our customers for their continued support and valued contribution to the success of this event.
