

# NEW SUN COLLECTION NOW AVAILABLE FROM WEB EYEWEAR

WEB EYEWEAR  
- LIFE IS A PARADE -

The new WEB sunglass autumn-winter 2014/15 collection emanates vintage style with a contemporary key. Innovation and attention to detail are used to create elegant and distinctive shapes for these new sun frames. Synonymous with style and originality, this WEB Eyewear collection incorporates attractive design elements such as shiny finishes and intense colours creating models with an amazing spirit.

## SUN COLLECTION

### WE0123

The men's acetate sunglasses recall an elegant 1950's style with a gracefully rounded shape. The doublebridge characterizes the model giving new and original allure, underlined by the metal logo "W" on the front as a hallmark of the brand.

### WE0125

These square acetate sunglasses embody a strong personality and offer a contemporary appeal. This style incorporates polished details such as the sophisticated key bridge, the thin frame embellished with the iconic "W" on the upper of the front, and extended logo to emphasize the initial part of the temple.
